STUDENT AWARDS

Congratulations to our award recipients over the fortnight.
It is immensely satisfying to celebrate the academic and social success of our students each week on parades. Your success in class and in the school grounds has inspired your peers and staff. Well done!

Principals' Say

Last week I had the great pleasure of speaking at the presentation ceremony for our Tullawong Student Leaders. It was great to see families there celebrating with their children and also thinking about the roles we all play to improve our school, community and the world. There are many issues confronting the world such as climate change, terrorism and poverty. It is important that we all understand that we all have a leadership role to be better ourselves and help make things better around us. The great thing about being human and a higher functioning brain than other animals, is that we can choose our behaviour and how we respond to things. Our greatest asset as human beings is that we can choose to be different tomorrow. No matter what we have done in the past and how we have acted, we have the capacity to change at any time. Sometimes when we are down and feeling negative about our lives we need to get a different perspective. So I have listed below some interesting statistics that may help you to appreciate what we do have in Australia:

* If you have food in the refrigerator, clothes on your back, a roof overhead and a place to sleep... you are richer than 75% of this world.

* If you have money in the bank, in your wallet, and spare change in a dish someplace... you are among the top 8% of the worlds wealthy.

* If you woke up this morning with good health you are more fortunate than the million who will not survive this week.

* If you have never experienced the danger of battle unfolding all around you, the loneliness of imprisonment, the agony of torture, or the pangs of starvation... you are ahead 500 million people in the world.

* If you can attend a church meeting without fear of persecution, harassment, arrest, torture, or death... you are more blessed than three billion people in the world.

* If your parents are still alive and still married...you are very rare, even in the United States.

* If you can read this message, you are more blessed than over two billion people in the world that cannot read at all.

You might use some of the above statistics to talk with your children about being more appreciative and having a more positive attitude to life and learning. In our ever rapidly developing world, education is becoming the key to happiness and success. I look forward to working with you and the staff to provide the best opportunities for learning and success at Tullawong State School.

Iqbal Singh

JUNIOR SCHOOL JARGON

Being responsible is our focus this fortnight. This includes:
* Being in the right place at the right time during learning time and
* Being in the right place at the right time during play time.
I am pleased to report that our Prep and Year 1 classes continue to buzz with excitement and learning. After a few hiccups earlier in the week, all classes are focussed once again on reading, writing and maths learning. It is also exciting to see our young learners working with art and science experiments and having fun generally. Well done children, parents, teachers, teacher aides and volunteers for working together with such enthusiasm. However, it has been very disappointing this week that a small group of Year 1 students continue to be in out of bounds areas at play time. It is no surprise that problems are arising in the playground. When children are deliberately and repeatedly out of bounds, they are not focussed on their own play and friends. Some are “looking for trouble” and following poor role models. Once again I would like to thank parents for working with the school to help their children follow the rules and learn the social skills needed to contribute to the Tullawong school community as a “Friendly School”. Being in the right place at the right time is the Tullawong Way.

Events to come with NO cost to families:
* Ditto show P-3 – please return the permission form to the class teachers.
* 1-2-3 Magic & Emotion Coaching, Parent Course – contact Justine on 5431 4666
* Little Legs on 18 March – playground and prep play program
* Larrinji Puppets P-2 children view an entertaining anti-bullying and healthy eating message on 22 April
* Prep Easter Hat Parade 24th of March at 11.45am
Please check your class notes on Monday.

Deputy Principal

MIDDLE SCHOOL MUSTER

It is great to wander around the classrooms and see so many students engaged in learning. Our year three classes have been looking at living and non-living things. Some classes have been growing seeds to see how they grow. The year two classes have been looking at how things have changed over time. They were very lucky to have Mr Dows bring in his vintage car. Thank you Mr Dows for sharing your knowledge about cars from the past.

Our Families Connect Day is fast approaching. It will be held on Thursday the 17th March starting at 8:30. All parents, guardians and grandparents are invited to attend this day. The day will start in the classrooms and end with a morning tea for all adults. If you would like to attend please return your attendance note so that we can cater for this occasions. I look forward to meeting many families on this day.

Year 2 & 3

SENIOR SCHOOL SCOOP

Our Year 6 students have the exciting opportunity to attend a camp at Burleigh on the Gold Coast. The dates for camp this year are 1 to 3 June 2016. As this is a considerable financial outlay for all families, we have arranged for the part payment of camp fees over the coming months. If you wish to use this payment plan, please make your part payments to the cashier in the office. The office staff can also let you know at any time how your payments are tracking.

The cost of the camp this year is $250. This includes the coach travel to and from camp, all meals and accommodation, and hire of instructors who work with the students during the camp. It will be an experience that your child will never forget – teachers and students are looking forward to another great camp this year.

Like any other school event, the behaviour of students while participating in off campus activities is to be of the highest standard. Students are required to demonstrate the same expectations we have of them while at school – being READY, being RESPONSIBLE and being RESPECTFUL.

Students who cannot demonstrate these expectations before or prior to camp may not be able to participate.

This decision will always rest with the Principal in consultation with teachers.

Tim Adsett
Deputy Principal
Year 4, 5 & 6
Late Arrivals
Students who are late to school in the mornings are to report to the School Office to collect a late slip from Office Staff. Students are then to take this late slip to their class teacher. If students have a note explaining their lateness they are to give their note to their class teacher.

Early Departures
Parents wishing to take students from class early, need to sign them out at the Office before collecting them from their class. The Office will print a slip which is to be given to the class teacher when collecting your child. Students will only be signed out to people who have been named on their emergency contact list at the Office. The Office cannot call students up. Parents are asked to collect their student from the classroom with the sign out slip.

‘WORLDS GREATEST SHAVE’
Our Groundsman, Mr Dows, is doing the Leukaemia Foundation ‘Worlds Greatest Shave’ by shaving off his beard! He is hoping to raise $1000 for people with Blood Cancer by March 10th - 13th.

You can show your support by donating at www.my.leukaemiafoundation.org.au/malcolmdows

Parade Tuesday March 8th.
Watch Mr Dows loose the beard!
A big thank you to guests at the Morning Tea on 23rd February. We were informed about the current support and services available to children with Special Needs, through the Better Start Program.

The information session was run by Michelle O’Sullivan the State Representative from Carers QLD. We also welcomed Beth the Acting Deputy from Caboolture Special School. We discussed the available funding of $8000–$12,000 for the parents as well as free therapy, interest free, “NILS” loans (3624 1700) and the therapy available under the “Chronic Disease Management Plan.” If your child has a condition that lasts longer than six months, you may be able to obtain 5 free sessions of therapy if the Doctor completes a “Chronic Disease Plan.” This plan will enable extra therapy for children who are unable to get support through the Autism Package or the Better Start Program.

Just a reminder for anyone you may know of that is struggling financially. The Loaves and Fishes Street Meet Care Service is open at Shop 28 Torrens Road, Morayfield. (Behind Morayfield Road’s McDonalds) Food parcels are available for a small fee of $58 (value $300) that could feed a family for a week. It includes a “Pantry Pack”, a “Freezer Pack”, fruit, vegetables, “Bread Pack”, “Potatoes and Onion Pack” and milk. EFTPOS is available Phone 5495 5240.

Trading Hours are Monday – Friday 8:30-3:30 and Saturday 8:30-12:00
