TERM 2 2015

EDITION 8

27th MAY

From the Principal

Sports Day

The athletics carnival is fast approaching. We encourage students to come in house colours to support their team, with an emphasis on participation and fun. Don't forget to place your special tuckshop order for sports day too. A coffee van and pie van are being organised for food and coffee on the day, especially for those parents who would like to join us. Parents are asked to observe safety zones around particular events on the day, and follow directions of staff as they move between events. We are looking forward to a day of sporting fun in the sun! See you there.

Disco Dazzles

Last fortnight the P&C held the Term 2 disco. Thank you to Kerry and her team, our DJ (Chappy), students, staff and families for your support of the event. The discos are a great way for our students to enjoy a safe and fun night with their friends. They also help to raise funds for the P&C which go directly to the school to support programs and facilities. While some of the dance moves were a little creative, what we lacked in style, we made up with in enthusiasm. I look forward to seeing you at the Term 3 event.

Students arriving after 8.30am cause disruption in class activities and reduce student learning time.

SENIOR SCHOOL SCOOP
Year 4 to Year 6

Looking Ahead...

Year 6 Camp

We are all very excited that we have managed to get enough students to attend the year 6 camp again this year. I am especially excited as I will be going to camp for Wednesday and Thursday activities and staying overnight. The camp will be at CYC Burleigh Heads and despite the cold water I think our students attending will have a great time participating in all of the activities. I would like to take this opportunity to thank Ms Erin Walker and the year 6 team for all their efforts so far in organisation. Year 6 camp dates: Wednesday 3rd June until Friday 5th June, 2015. It's going to be a blast.

Senior Athletics Carnival

On Friday 12th June we will again be holding our Senior Athletics Carnival. Each house has practised their 'march past' and war cries. Students have practised sitting watching quietly in cross country. It should be another exciting day in the Tullawong sporting calendar and I look forward to everyone participating fully.

A reminder to parents and carers

If you wish to come on the day and have your child/ren sit with you then you are quite welcome to. We request that if this is the case that you please supervise your children as normal. Please do not encourage other students to sit with you, even if they are family friends as we have a duty of care for them whilst they are at school. Thank you for your consideration. You are welcome to bring shade solutions for the day as long as you erect them around the edge of the oval.

The students will be sitting in house areas throughout the carnival

so you may sit near your house if you wish. See map for each area:

We are also hoping to have a pie van and coffee van for you to purchase refreshments from.

**Tullawong
District Cross Country Results
2015**

On Tuesday May 19 twenty six Tullawong students represented our school at the District Schools Cross Country. As each age group completed their race their school mates cheered them over the line, the runners sporting red faces as they gave their all.

A special thank you to the many parents who attended to lend their support and to help cheer for Tullawong competitors, and to Caboolture East State School for sharing a bus with us every year halving our travel cost.

This event is the same distance as our School events. Achieving a **top five** placing earns the student a place in the Caboolture District team, which will take on the other Districts in our region at the Sunshine Coast Trials. **Taya C** has made it into the top five. She will be competing for the Caboolture District Schools at the Sunshine Coast Regional Trials on 2nd June.

Scoring - Each School can nominate up to five competitors in each age group. The first three finished count for the team competition. eg. Tullawong runners finish 3rd, 6th and 10th scores 19 points for that race. The lower the points score the better. With twenty (20) schools competing, each race was jammed packed (**up to 100 runners**), so achieving the top five places requires a huge effort.

Overall Results we placed **Sixth** (764pts) in the large schools (A-Schools) sector.

Large Schools A

- 1st Banksia Beach
- 2nd Narangba Valley
- 3rd Burpengary

Medium Schools B

- 1st St Peters
- 2nd Narangba
- 3rd Bribie Island

Small Schools C

- 1st St Pauls
- 2nd Wamuran

JUNIOR CROSS COUNTRY RESULTS

The seventh annual Tullawong State School Junior Cross Country has been run and won. All children ran a course which took the front runners two to two and a half minutes to complete.

A special thank you to the year six and seven students who helped set up, pack up and ran with the junior students. They were excellent at showing the way and supporting those who found the going tough.
