FROM THE PRINCIPAL.....

Learners' Club Begins

We have now been running our new after school Learners' Club and at least 20 students are attending on each of the afternoons. The kids are really enjoying the opportunity to participate in this program.

2015 Prep Enrolments Begin

We have begun undertaking enrolments for Prep in 2015. To enrol for next year children must turn 5 before the 30th June 2015.

The great teachers in the Tullawong Prep program are producing young confident learners ready for Year 1. By the time they exit Prep the children are reading and writing. Our goal is for Prep kids to be exiting Prep with a reading level of 5 to 8. Many of our children are reaching this goal.

CASUAL POSITION VACANT

A casual position exists for a School Crossing Supervisor at Tullawong SS, you may also need to relieve at other schools.

The School Crossing Supervisor **may** be required to work five days per week in all *weather conditions*. The hours of work for School Crossing Supervisors are normally 1.5 hours a day and usually comprise of one hour in the morning and ½ hour in the afternoon.

Applicants are required to advise in writing of any charges that have been laid against them or any offence of which they have been convicted of.

It's fun to ride to school with your children

Students who rode their bike to school last week were met by our Travel Choice Team Members from the Moreton Bay Regional Council and they received incentive prizes for riding their bikes (this was not an advertised day, we were promoting bike safety).

Students who cycle are confident, more independent and alert to boot. Just 15 minutes cycling to and from school can increase your child's fitness and establish life-long healthy habits. Ask any student how they want to get to school and they're likely to reply – 'on my bike'!

This weekend dust off the family bicycles and explore how you and your children can ride to school. Perhaps make it a weekly event! It's great exercise for you and your children.

Remember to always wear your helmet and cross at the lights or designated supervised crossings. Lock your bike and helmet together in the bike racks provided.

ADMINISTRATION TIMETABLE

In the past the Principal and the Deputy Principals have always worked hard to make themselves available to parents at most times of the day. This has become increasingly difficult as they become more time poor. To support your needs they will be available by appointment only or please leave your number with the office staff and they will ring you back. Our major focus for the remainder of 2014 is to be in classrooms to support student learning.
