FROM THE PRINCIPAL...

Our Reading is Eggcellent!

We have now 150 students participating in the Reading Extension program Reading Eggs and wow they are really enjoying it! We are certainly beginning to see benefit for these learners.

Last week I was visiting a class to hand out their reading certificates. I complimented them on their willingness to read at home. We discussed that to improve in anything the answer is practice, practice, practice! Just like our Eggcellent Reading Eggs people the majority of the Year 1 class members were reading EVERY night.

Practice makes perfect!

Every Day Does Count

Term 2 is quickly drawing to a close and teachers and students are busy not just learning new information but also completing assessment tasks for the reporting period. It is obviously a busy time so good attendance at school will certainly assist your student during this busy time.

Maths Extension Program to be continued

Our involvement with Brisbane School of Distance Education online Math Extension Program will continue for the next ten weeks. Some of our best Year 4 and Year 5 students have been selected to work once per week with an online tutor. Feedback from the last group of students was that the program was challenging, taught lots of new skills and was fun talking to the tutor through the headsets.

Front Car Park

It has been brought to my attention that parents are encouraging students to cross the front car park by weaving around buses. It is of concern that we will soon have an accident and I am certain that we do not want one of our children hurt. I implore all parents to remind their children to be responsible and cross at the appropriate locations.

SLOW DOWN AROUND SCHOOL ZONES

**Watch your speed!
40km in school zones.**

We urge motorists to be extra cautious and drive slowly when approaching children riding their bikes or walking on the street or near buses.

It would go a long way towards ensuring the safety of children on their way to and from school if you follow the direction of school crossing supervisors and allow a little extra time for your trip due to traffic increase around schools.

Children walking should obey the rules by stopping at the yellow line and waiting for the crossing supervisor to blow the whistle twice then proceed to cross the road.

SPORTS TALK

Tullawong District Cross Country Results 2014

On Tuesday May 20 thirty six Tullawong students represented our school at the District Schools Cross Country. Teammates gave each other plenty of support as each Tullawong runner approached the finish of their race, all sporting red faces as they gave their all.

A special thank you to the many parents who attended to lend their support and to help cheer for Tullawong competitors, and to Caboolture East State School for sharing a bus with us every year halving our travel cost.

This event is the same distance as our School events. Achieving a **top five** placing earns the student a place in the Caboolture District team, which will take on the other Districts in our region at the Sunshine Coast Trials. (13's need to qualify via High School Districts)

Scoring - Each School can nominate up to five competitors in each age group. The first three finished count for the team competition. eg. Tullawong runners finish 3rd, 6th and 10th scores 19 points for that race. The lower the points score the better. With twenty (20) schools competing, each race was jammed packed (**up to 100 runners**), so achieving the top five places requires a huge effort.

Overall Results we placed **Sixth** (785pts) in the large schools (A-Schools) sector.

Large Schools A

1 st	Burpengary	307
2 nd	St Eugene	344
3 rd	Banksia Beach	357

3 rd	Burpengary Meadows	526

Small Schools C

There were no Individual results in the top five, therefore no-one made it to the District team. The District team will compete in Maroochydore at the Regional Trials, 3rd June.

GO BLUE FOR AUTISM DAY

Thank You

Thank you to all the students, parents/carers and staff for your support and donations for our "Go Blue for Autism" day on Tuesday 6th May. It was wonderful to see so many

people wearing blue. A special thanks to Jessica Jarvis, Lauren Jess, Michele Aitchison and Jane Bradshaw for presenting our Parent Workshops and to the Tuckshop for 'going blue'. Thanks also to the staff and students who helped out before and/or on the day and especially to our Student Council and Student Leaders for their assistance. Unity D (3B) was the lucky winner of the 'Guess How Many Blue Mentos in the jar' competition. Unity won a blue backpack full of goodies valued at over \$45.00. Chris Deuis was the runner-up, winning the jar of Mentos! The school raised an amazing and generous \$654 for Autism Qld!! This was \$277.95 more than last year! The money raised will go to Autism Queensland. Just as important as the donation, our school community raised awareness for Autism and highlighted how important it is to tolerate, respect and celebrate all of our differences – they are what make us interesting and unique!

CONGRATULATIONS!

Aiden S (6/7) has gained a place in the Caboolture District School Boys touch Football team for 2014. The team will be competing in the Regional Trials on Sunday 15 June and Monday 16 June.

On Wednesday May 21 **Liam R** attended the South District Secondary Cross Country. To go to higher representative levels all 13 year competitors are eligible to attend secondary trials. Liam finished in eighth place and has been invited to the Secondary Regional Cross Country at Maroochydore on Tuesday June 3.
