PRINCIPAL'S SAY

Thank you very for the very warm welcome I was given last week. I am looking forward to spending the next 2 and half weeks here at Tullawong State School. I would like to welcome Ms Petrina Abraham to the leadership team. Petrina will be acting deputy principal whilst Mr Adsett is away. Thank you to Ms Nunn for her work in this role over the past weeks.

Good luck to our students who are attending Gala day over the next couple of weeks. I am sure you will have a great time and enjoy learning some new skills.

Please remember our student focus on sleep. It was great to hear our year 4 to 6's share their knowledge on how to gain a great nights sleep.

- 1) Reducing screen time right before going to bed.
- 2) sleeping for 8 -11 hours per night.
- 3) going to bed at a regular time.
- 4) If you can't get to sleep, listen to some relaxing music.

Once again thank you for the welcome and please don't be afraid to say hello if you see me.

Thanks
Ian Persini
Acting Principal
Tullawong State School

HELPING HANDS NEWS

We have been so busy at HH over the last month with making our mother's some beautiful cards and bookmarks for Mother's Day, we hope all our Mum's had an amazing day and got spoilt. Our days go so quickly with the children enjoying having the option of taking activities outside at Afternoon Tea to play with before moving onto the playground, oval or returning to the room. Construction area is still very popular, with the children creating Godzilla and playing Star Wars with the Lego and mobilo, we have had to enlarge this area to accommodate this.

We are super excited for our Vacation Care this term we will be Heading to Flip Out at Strathpine for some trampoline fun and then we will be heading to Caboolture Bowl to knock down some pins and play mini-Golf. our incursions are just as exciting with an Inflatable playground where children can Bounce, climb, and slide their way through various challenges, we are also creating some beautiful, scented candles and soap. If you Don't want to miss out, make sure you book your spot. We look forward to seeing you there. if you have any questions, come down and see us at the Helping Hands room or feel free to give us a call on 0447 028 132.

Feel free to come and meet the lovely educators who will be set up at the Hall on Friday 4th of June between the hours of 7:00am-9:00am to answer any of your questions or if you need more information about the services that are provided.

Research Participation Opportunity

All children display disruptive behaviours at times. These behaviours could include non-compliance, aggressive behaviour, stealing, breaking property, severe rule breaking, deliberately annoying others, or arguing with adults. Some children may display these behaviours more than others. Our research is aimed at finding out why and we need your help.

Who are we looking for?

To understand the differences between children with disruptive behaviours and those without, we are looking at behaviour of primary school aged children. If you have a child who is **aged 6 to 11** (inclusive), you are encouraged to participate. If your child has an intellectual impairment or another cognitive disorder, they will not be eligible for this study.

What would be required?

You will be required to answer a number of questions about you and your child in order to better help us understand: you, your child, and your child's behaviour. It is expected that this questionnaire will take 20-30 minutes.

What's the benefit to you?

You can choose to enter the draw to win 1 of 4 \$100 Coles Myer gift cards.

Interested?
